

Laverne & Lucy

We'd like to welcome everyone to the world premiere of Laverne and Lucy!

With a combined performing career of over 60 years (most of them spent by Laverne), these two delightful divas have been winning over audiences in trailer parks, fast food chains and Flea Markets all over the Dakotas! Considered the best Musicians in their pay grade, we are thrilled to have them with us tonight.

Please put your hands together and help me give a rousing welcome to...

LAVERNE AND LUCY!!!!
